Changed fee for missed or canceled appointments

We changed the price for canceled/missed appointments for less than 48 hours. The fee was \$40.00 then \$60.00 and now it is **\$80.00** per hour scheduled.

Please, if you need to cancel or reschedule your appointment, contact the office in advance in 48 hours to avoid fee.

I have read and understood that if I missed/canceled my appointment in less than 48 hours, I will be charged for **\$80.00** per hour.
